

How to reach Magari Estates Hotel:

**From Verona airport (Verona-Villafranca “Valerio Catullo” Airport)**

**General directions by car**

1. From the airport, take the highway or the road signposted for Verona/Verona Est or in any case towards the city.
2. Recommended exit: for example, “Verona Est” (or another exit towards Tangenziale Sud / SR11 / SP10, in the direction of Colognola ai Colli) — adjust according to your navigation system.

Follow the signs for Colognola ai Colli / Val d'Ilasi, passing through San Zeno (or the hamlet of San Zeno di Colognola ai Colli) — this will take you onto the road leading to Vicolo Cieco Cambrago.

3. Once you arrive in Colognola ai Colli, follow the signs within the town towards Vicolo Cieco Cambrago or Via Lauretana until you reach the hotel at no. 1.
4. As requested, avoid the road that passes through “Località Donzellino” and take the road that passes through San Zeno → Vicolo Cieco Cambrago.

**Alternative transport**

- You can take a taxi from the airport: estimated time approx. 25-30 min for 25-30 km.
- Transfer by public transport is more complicated/longer (bus + change) — may not be the easiest option if you have luggage.

**Useful note**

Check that your satnav or GPS system uses the address “Vicolo Cieco Cambrago 25/A” or “Via Lauretana 1” as the destination to avoid unwanted exits. Some databases still show the address as “Vicolo Cieco Cambrago.”
